

GROWING STRONG

AND BEYOND

The growth that Team 2056 has achieved has led our alumni to work at some of the most successful STEM related companies

Tesla, Google, IBM, and our very own sponsor Jantz.

COMMUNITY

Whether it be charity work or spreading STEM, Team 2056's dedication to outreach is what allows us to constantly reach new heights.

PARTNERSHIPS

The relationship 2056 has with our school, mentors, and sponsors are the roots of the success we exhibit each year.

SCRF

As 2056 grows so does our community of FRC, FLL and VEX teams, thus multiplying the STEM impact in the Steel City area.
