OP Robotics 2025 Robot: Lightning

Our Team

Who is OP Robotics?

Team 2056 OP Robotics is a FIRST Robotics Competition team based in Stoney Creek Ontario representing Orchard Park Secondary School. We consist of 55 high school students and 11 mentors building ourselves and our community with robotics.

Since 2007, we have competed against thousands of teams across the world, building industrial robots to perform different tasks related to each year's "game". In the span of 3 months, our team designs, fabricates, assembles, and programs a robot to compete across Ontario and consistently qualifies in the World Championship every year.

Beyond just our team lead efforts volunteering and sharing our resources to our local community and FIRST teams worldwide. (2056 Outreach)

Reefscape 2025 Highlights

In the 2024-25 season, our robot, Lightning, showcased impressive scoring by utilizing features like AI technology for auto scoring, and unique mechanical methods to ensure an efficient and robust robot.

Our team achieved an impressive record of 68-7-0, securing victories in three events:

- Niagara College District Event
- McMaster District Event
- Ontario Provincial Championship

World championship success:

- Daly Division Champion
- Advanced to Einstein Field for the 8th time
- 3rd alliance overall in FRC 2025 season
- Ranked 1st robot in the world*

SPONSORSHIP INFORMATION

Any amount of support will go towards the sustainability and success of our team in not only competitions, but making FIRST an opportunity to inspire youth in our community. Your generosity will go towards robot machinery, registration fees, mechanical parts, travel costs etc. Team 2056 acknowledges that sponsors play a huge role in our team's sustainability and greatly appreciates any amount, goods, or services as support. Please see below for the different levels you receive.

LEVELS	BRONZE \$250+	SILVER \$1000+	GOLD \$2500+	PLATINUM \$5000+	TITLE \$7500+
